For assistance in completing the Small Project Application, please reference the
"Storm Water Management Design Assistance Manual for Small Projects" *

*In accordance with Section 502.A, 502.B, and 502.C "Small Projects" in the Storm Water Management Ordinance 2014-01.

OWNER ACKNOWLEDGEMENT

- Development activities shall begin only after Colerain Township approves the Small Project Storm Water Management Permit.
- The installed Storm Water BMP's will not adversely affect any property, septic systems, or drinking water wells on this or any other property.
- If, after approval of the Small Project by Colerain Township, the applicant wishes to pursue alternative storm water management measures in support of the project, the applicant will submit revised Small Project information and worksheets to Colerain Township for approval. If a site requires a more complex system or if problems arise, the applicant may need the assistance of a licensed professional engineer, landscape architect or surveyor.
- The applicant acknowledges that the proposed Storm Water BMP's will be permanent fixture of the property that cannot be altered or removed without approval by Colerain Township.

I (we) _____ hereby acknowledge the above statements and agree to assume full responsibility for the implementation, construction, operation, and maintenance of the proposed storm water management facilities. Furthermore, I (we) also acknowledge that the steps, assumptions, and guidelines provided in this submission, including but not limited to the Colerain Township Storm Water Worksheet, and the Storm Water Management/BMP Facilities and Maintenance Agreement (if applicable) will be adhered to.
